diagnosis by treating dentist and hygienist

- Everything included above, plus
- 2 Periodontal Maintenance Cleanings
- 1 Additional Cleaning
- 15% OFF Scaling and Root Planning - Deep cleaning

The GroveSmiles Club Term:

- The GroveSmiles Club cannot be combined with other Dental Insurance Benefits or Dental Discount plans. However, the \$500 Lifetime Benefit can be combined with our promotional offers.
- The GroveSmiles Club membership is a 12-month agreement, beginning the day you sign up for membership. This agreement auto-renews each year, unless cancelled in writing or by email, 30 days prior to auto-renewal date. Membership fee may be adjusted annually, however the annual increase will never be more than 3%.
- Unused benefits do not roll-over when your membership expires. Your \$500 Lifetime Benefit does roll over as long as your membership is in good standing, and it has not been used.
- Once you enroll, your membership is active immediately!
- Family member's membership will expire on the same date as the initial membership plan. For this reason, it is recommended that you add any family members at the time you start your club membership. We reserve the right to verify family relationships (married couples, children up to 26 years of age).
- The GroveSmiles Club membership includes a \$500 Lifetime benefit which can be used one time to apply to cosmetic, dental implants & orthodontic treatments with Invisalign® or SureSmiles. The Lifetime Benefit cannot be combined with other member benefits. A determination about whether dental treatment is cosmetic or not is at the discretion of the treating dentist.
- If you miss an appointment, you will be responsible for rescheduling. Our cancellation policy requires a twenty-four hour notice. A \$50 no show fee will be charged if you cancel less than 24-hours prior to your appointment or if you fail to show for your scheduled appointment. The membership benefits will not be applied to no show fees. The patient is responsible for rescheduling their appointment within their membership year. If our office has reached out to reappoint you three or more times and you cannot take the appointment or you cancel with only 60 days or less in your membership year, we may not be able to accommodate you in your membership year and therefore will not be held to the terms of membership.
- Under no circumstances will refunds be given, including for reasons of failure to schedule and maintain appointments. If you cancel the GroveSmiles Club plan before the initial 12 months, all treatment(s) already completed, or in progress, backdate to our standard prices, and you will be responsible for the difference.
- Under the Periodontal membership, (additional fees apply), your first two cleanings, whether considered Perio Maintenance or Prophylaxis, are covered 100% by your membership.
- If your dentist or hygienist determines that your dental needs include periodontal treatment, you have the opportunity to sign up for the GroveSmiles Perio Plan. Deep cleanings (Full mouth debridement (FMD) and Scaling and Root Planing (SRP) are 15% OFF if a member of the GroveSmiles Club.
- The \$500 Lifetime Benefit is applied once per person. The Lifetime Benefit would not be available for a second use in the event your membership lapsed.
- The \$500 Lifetime Benefit is not transferable between GroveSmiles Club members.
- The GroveSmiles Club 15% discount covers basic restorative procedures (fillings and crowns not determined cosmetic), which does not include implants. However, the \$500 Lifetime Benefit can apply to implant treatment.
- The GroveSmiles Club offers the \$500 Lifetime benefit for treatments that the 15% discount does not apply to (Implants, Cosmetic treatment, or Orthodontics).
- The GroveSmiles Club 15% discount covers basic restorative procedures, but does not apply to cosmetic treatment. However, the \$500 Lifetime Benefit can apply to cosmetic treatment.
- The dental practice retains the right to interpret any program stipulations.
- Membership benefits are not transferable, have no cash value and may not be redeemed for cash.
- This is not an insurance plan and is not subject to regulation by the state department of insurance.
- Members are responsible for notifying dental practice of any address or contact changes.
